A Message from the Best Buddies Team

Hello Chapters and Happy April! We hope that you had a great Best Buddies Month. University and College chapters will be completing their yearend report. Sign ups will be open for the Best Buddies International Leadership Conference (buddies and peer buddies in high school and post secondary). This is an incredible opportunity – stay tuned for more details. Please reach out to us if you need support to plan for your chapter in September 2021.

University of Victoria Chapter enjoying an online zoom event: Painting!
